

#### WHAT IS HAPPENING?

The program known as "Happening" originated in Dallas, Texas in the mid-1970's. It began when some high school aged teens in the Dallas area saw the change that Cursillo® made in their parents lives and wanted to have the same life transforming experience.

The purpose of the Happening - A Christian Experiences program is to be one of the instruments within the Anglican Tradition to renew the Christian Church in the power of the Holy Spirit, in order that the Church may respond more readily to its call to spread the Kingdom of God throughout the world.

# HAPPENING

## CENTRAL PA #6

🌿 DATE: FEBRUARY 15-17, 2013 🌿

MORE THAN A YOUTH EVENT

# What “Happens” There?

## DESCRIPTION

Happening is more than a Youth Event. It’s an experience.. We do everything from praying to playing, and from singing to sleeping. There are talks, small groups, free time and fun. We come together to praise God in an amazing environment, and hope you will join us this year too!

Happening is part of diocesan youth ministry to and with youth, overseen by Bishops of the diocese in which it occurs.

## ACTIVITIES

During the Happening weekend (usually beginning Friday evening and continuing through Sunday afternoon) there are activities designed for fun and Christian community building among participants.

However, to make Happening a truly remarkable and powerful event, the activities and experiences that contestants experience at a Happening of Central Pennsylvania, are kept under secrecy from anyone who has yet to be “Happened.” This secrecy creates a special enigmatic

atmosphere around the event, and makes it all the more special. Ask anyone that has been to Happening in Central PA before, and they’ll tell you that it’s unforgettable and life-changing.

## FACILITIES

Happening #6 for CPA will be held at Camp Mount Luther, which provides a secluded area where participants can get away from the modern world and take in the beauty of life. The camp has all your bathing needs and serves excellent food. Participants can expect to enjoy the comfort of sleeping in one of the camps various cabins. All in all an amazing and comfortable area will be available to all Happeners.

## THIS YEARS RECTOR

*Happening is probably one of the most spiritually deep and life changing retreats that our diocese has to offer! Everyone can take something away from this weekend with Friends and our God. -David Kilp*
