

Lutheran-Anglican-Roman Catholic day of Dialogue

THE UNTAPPED TREASURE OF VATICAN II

The Decree on Ecumenism at 50

Monday, October 27, 2014

Cardinal Keeler Center
4800 Union Deposit Road
Harrisburg, PA 17111

This year marks the 50th anniversary of the Second Vatican Council's historic Decree on Ecumenism, Unitatis Redintegratio. This decree, along with the Constitution on the Sacred Liturgy and the Pastoral Constitution on the Church in the Modern World, impacted the lives of Roman Catholics, Lutherans and Episcopalians in ways that we now take for granted. Our 2014 LARC Day of Dialogue will be a celebration of this "golden jubilee" in the life of the Church. We are pleased to have the internationally known speaker, Dr. Massimo Faggioli to offer his insights on the formulation of this document at Vatican II. Time will also be set aside for participants to speak to the ongoing relevance of the Vatican II decree as our communities move forward ecumenically.
